Road Repair in Dunnigan to Cause Temporary Closures

(Woodland, CA) - The Yolo County Public Works Division and its contractors are currently performing efforts to rehabilitate and repair several existing road surfaces in the Dunnigan area. The following County Road (CR) sections will be closed to through-traffic at various times between May and August for road improvements:

- CR 1 between CR 84 and Interstate 5
- CR 84 between CR 1 and CR 2
- CR 89 between CR 1 and CR 99W
- CR 89B between CR 6 and CR 99W

Travelers may experience delays in these locations. Detour signs will be set up to direct motorists to an alternate route around the closure. Access to properties and businesses along a closed section of the road will be provided at all times.
