Re: 2018-19 Grand Jury Report: Flood Management in the Urban Environment
- Yolo LAFCo and the Role of Reclamation Districts 537 and 900 within the
City of West Sacramento

Dear Mr. Familia:

Thank you for your inquiry regarding the status of 2018-19 Grand Jury Report Recommendation 3, which recommended Yolo LAFCo publish an MSR/SOI for RD 537 and RD 900 by February 1, 2022.

The attached work plan adopted by LAFCo on April 28, 2022 has a comprehensive MSR/SOI update of the 15 special districts that provide flood protection services scheduled for FY 2023/24. LAFCo is not aware of any information that suggests reorganization of RDs 537 and 900 have been detrimental to the functioning of flood protection. If an issue is raised, LAFCo can amend this schedule to prioritize review of these districts if deemed helpful or necessary.

Please let me know if you have any additional questions.

Thank you,

Christine Crawford
