NOTICE

If requested, this agenda can be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 and the Federal Rules and Regulations adopted in implementation thereof. Persons seeking an alternative format should contact the County Administrator's Office at 530-666-8150 for further information.

CPUC Local Agency Technical Assistance

- Funding for eligible pre-construction work facilitating Broadband network projects to CASF eligible and priority eligible areas of the county. Awards of up to \$500,000 per agency.
- If awarded, the County would execute an MOU with GSCA for the purpose of engaging network design professionals to develop network designs for CASF eligible priority unserved/under-served areas of the County. GSCA will manage the grant and associated work products

- Work will be broken down into 3 phases:

Description	Time	Cost
Conceptual Network Design & Cost Estimation	1-2 months	\$25,000
Refined High-Level Design and Foundational Planning	2-3 months	\$40,000
Low-Level Design & Engineering	3-6 months	\$1.93/linear foot

*Administration (indirect) costs not to exceed 8%, of which 3% would reimburse GSCA and 5% would reimburse the County

- At the conclusion, County will have shovel-ready construction plans for project areas that can be used when applying for Federal Funding Account grants for last-mile broadband connections.
