Subject: ALS Updates Class

MEMORANDUM

Effective immediately, YEMSA ALS Update Classes are suspended pending the roll-out of a new annual ALS Updates Class. Any paramedic needing the ALS Update class for reaccreditation will have that requirement waived until the annual class is held.

Moving forward, to maintain accreditation in Yolo County, all paramedics will be required to attend an annual YEMSA ALS Updates Class that will cover protocol updates, skills refreshers, and other training as needed. Continuing Education Units will be issued and attendance at these annual classes will meet the Yolo County accreditation renewal requirements.

Dates and locations of classes will be released soon.
