What is the Yolo County Hazard Mitigation Plan?

In partnership with the Cities and Special Districts, this plan assesses the risk of floods, drought, wildfires, severe weather, and other natural hazards of concern to the county.

This plan update will address an updated list of hazards, assesses the likely impacts of these hazards, revise goals, and prioritizes projects to reduce the effects of future disasters on our communities.

Opportunities for Input:

- Public Meetings
- Virtual Zoom Meeting
- Submit Comments to: **OES@yolocounty.org**

***Draft plan will be made available after the Meetings - hard copies (In-person) and on our website: <https://tinyurl.com/OESPlans>**
