With the November election behind us I'd like to take a moment to thank all of you who provided polling locations and contributed to the successful conduct of our Presidential General Election.

Elections are a community affair and it is impossible for us to conduct any election without the participation of all of you who are willing to provide their facility for use as a polling place.

So, on behalf of the Elections Office and the residents of Yolo County, we truly appreciate your making our democratic elections possible.

Thank you for your support. We look forward to working with you again in the future.

Sincerely,

FREDDIE OAKLEY
County Clerk
