- **CHIP Vision & Values**
- **Finalize CHIP Document**

2023 CHIP Vision

*Yolo County is a Place Where
Everyone Can Thrive*

2023 CHIP Values

"The Yolo Way"

EQUITY We are committed to initiatives, policies, and strategies that address root causes of inequity.

INNOVATION: We balance use of evidence-based practices with a willingness to be bold and try new approaches.

COLLABORATION: We align efforts to address complex issues for greater impact and sustainability

COMMUNITY ENGAGEMENT: We integrate community engagement across all phases of our work and we use community input to help inform our decisions.

Mapping the Process

Service Environment

Improve the **Service Environment** and equitable access to the resources community members need to be their healthiest.

Service Environment

Goal

All community members *can easily* access quality behavioral health, physical health & wellness services.

Objectives for Consideration

- Increase:
 - Follow-through with referrals to needed services and resources
 - Equitable access to health and community services
 - Community cohesion
 - Equity in service utilization
 - Community trust in institutions and agencies
- Decrease:
 - Trauma, stress, and loneliness
 - In community members reporting poor mental health days
- Improve:
 - Overall health and wellbeing
 - Access to care

Service Environment

Proposed
Strategy
Areas

- 1.Resource Navigation to Connect People to Services**
- 2.Coordinated Care and Referrals Among Agencies**
- 3.Transportation to Services**
- 4.Community Engagement and Awareness of Services Available**
- 5.Early Childhood (0-5) Universal Health Screenings**
- 6.Trauma Informed Training for Providers**
- 7.Housing & Homelessness**

Risk Behaviors

Decrease engagement in **Risk Behaviors** negatively impacting Yolo County community members.

Risk Behaviors

Goal

All children and youth thrive and develop their healthiest behaviors.

Objectives
for
Consideration

- Increased:
 - Access to basic needs
 - Food and nutrition security
 - Health equity
- Improved:
 - Academic experience (Literacy rates)
 - Overall health & wellness (psychosocial, physical education, etc.)
 - Mental health outcomes
 - Quality of life
 - Life expectancy
- Reduced Health Disparities

Risk Behaviors

Proposed
Strategy Areas

1. School Nutrition
2. Early Childhood Education
3. Adolescent Risk Behaviors
4. Physical Activity
5. Youth Resiliency

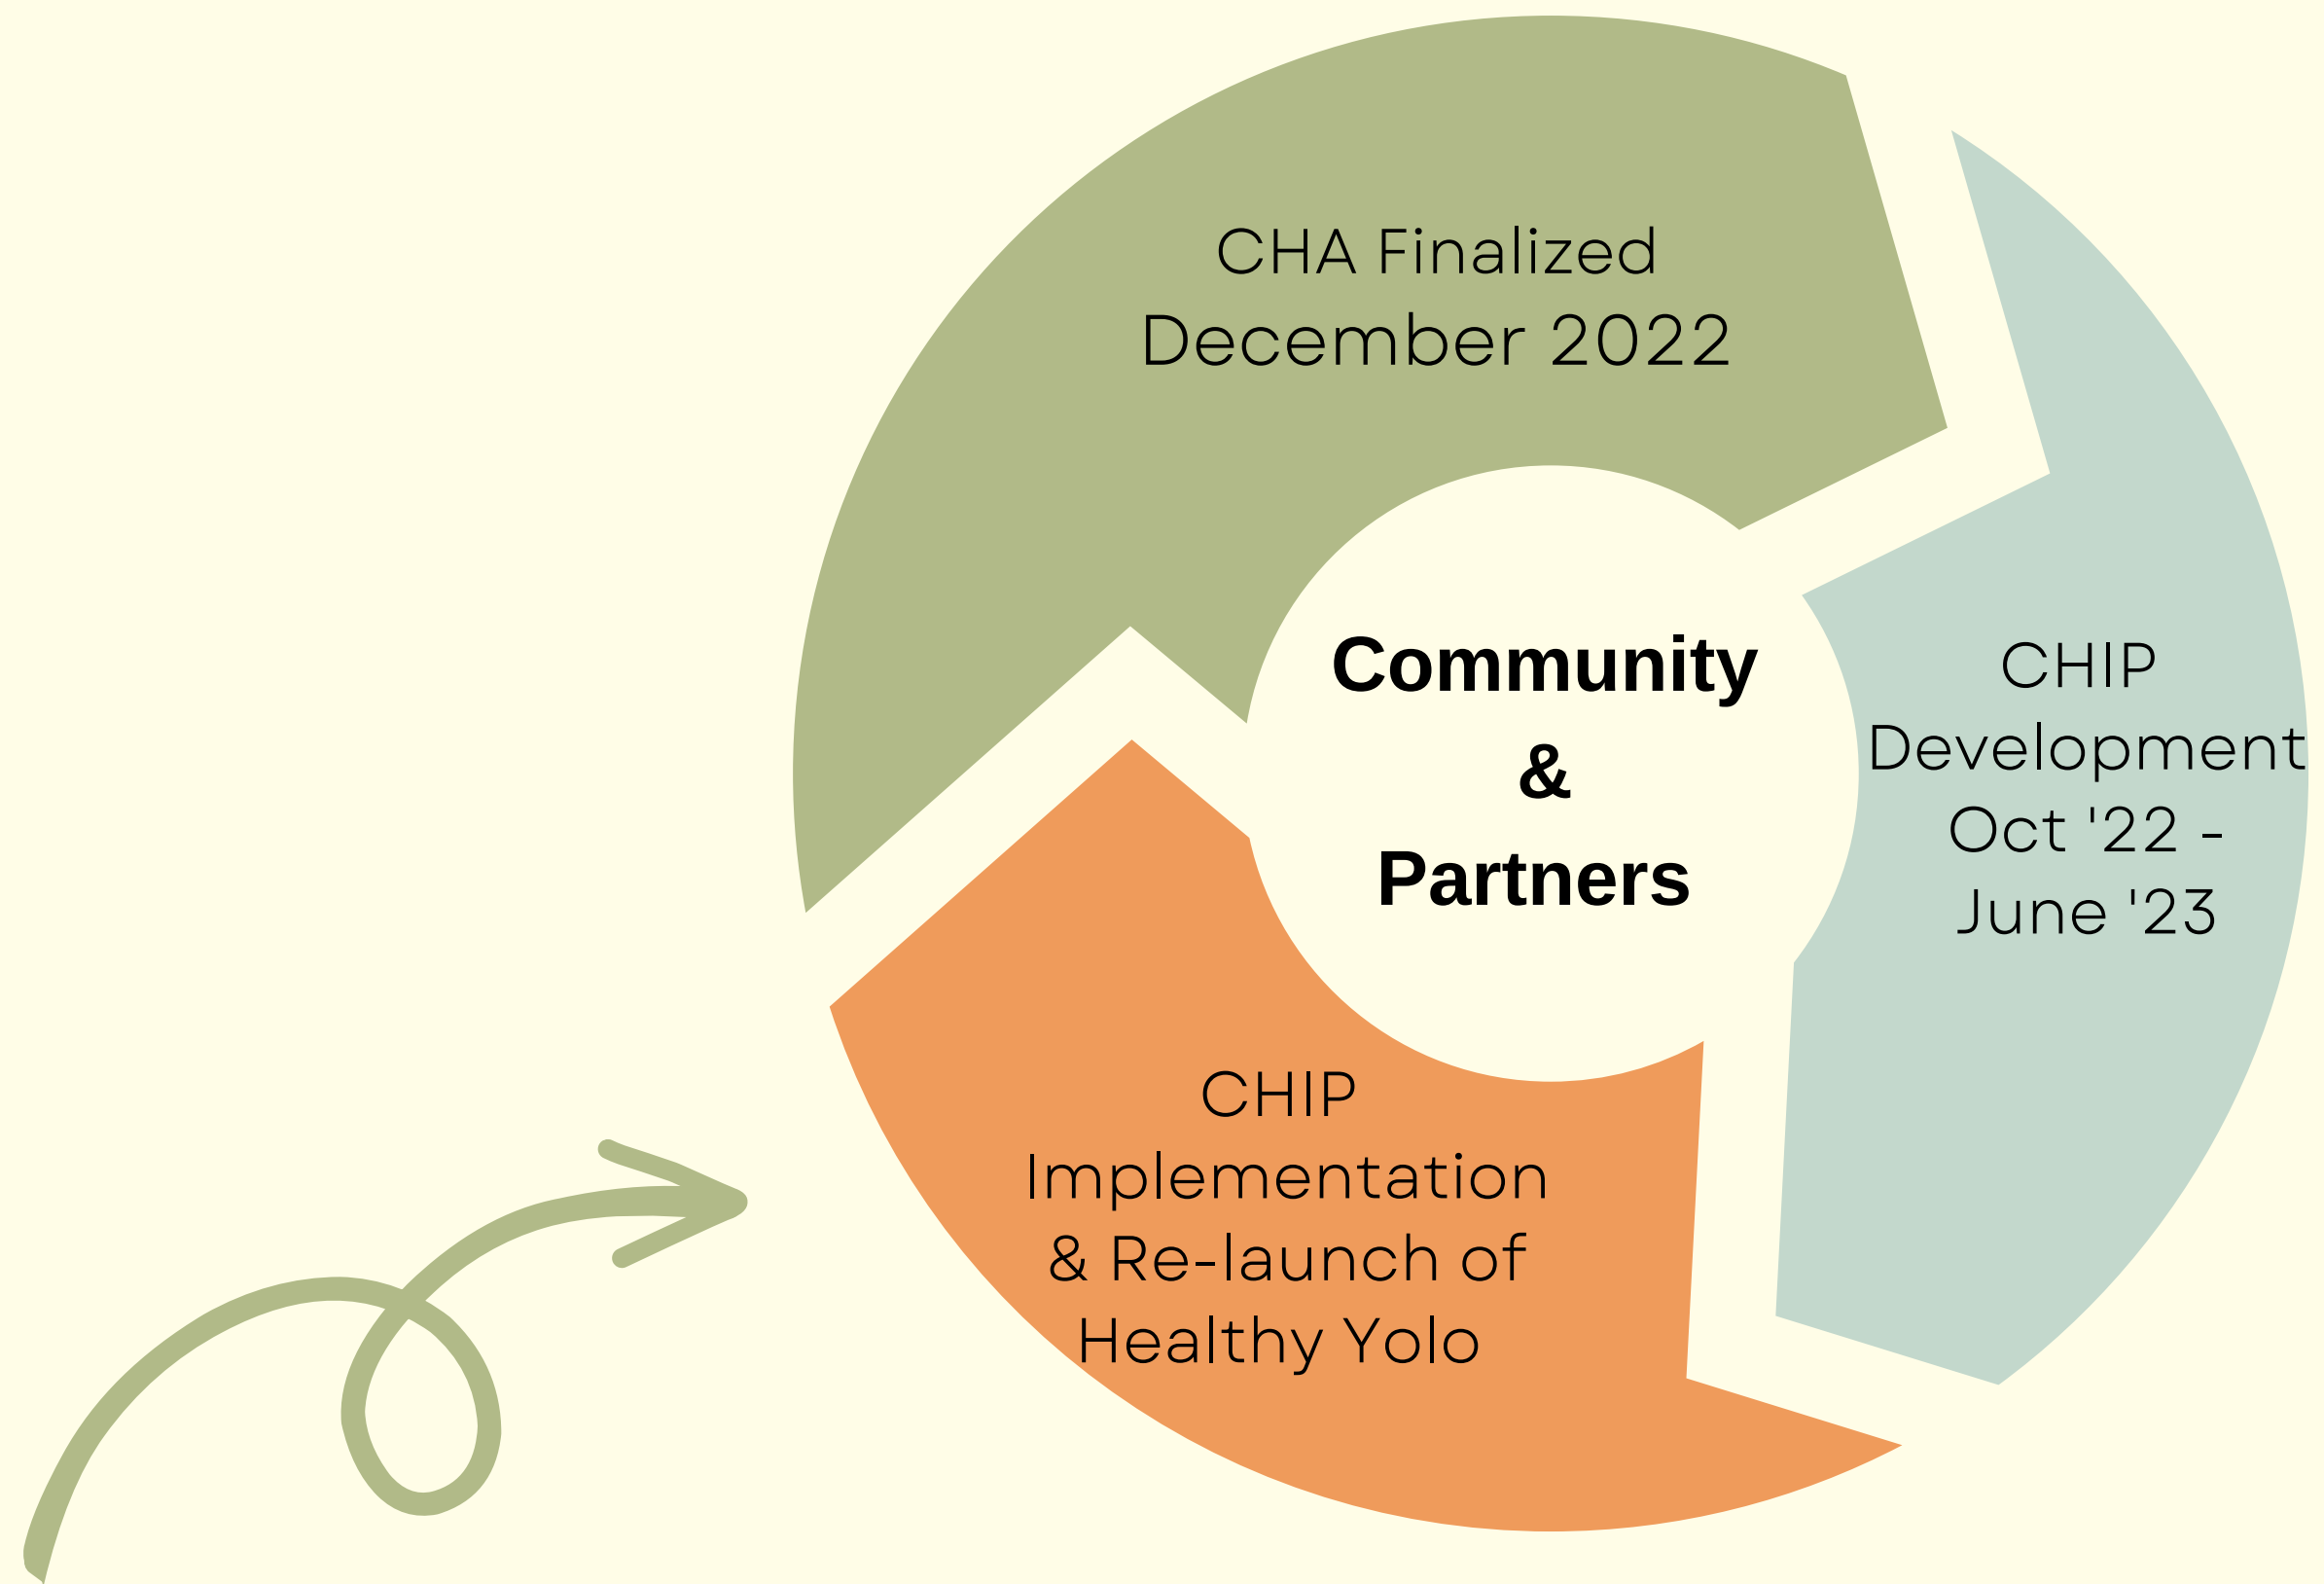

Elements of the CHIP

To be finalized by 7/15/23

- **CHIP Planning an Process**
- **CHIP Vision and Values**
- **Community Action Plan**
 - **Priority Areas & Goals**
 - **Proposed Objectives/Strategies**
 - **Metrics to evaluate impact**
- **Alignment with other community initiatives**
- **Partner acknowledgement**
