PURPOSE OF THE MEETING

The purpose of this meeting is to provide information to interested parties regarding a permit revision to the Yolo County Central Landfill and to give opportunity for comments. The decision to issue the revised Solid Waste Facility Permit must be made by the LEA with concurrence from the California Department of Resources Recycling and Recovery (CalRecycle).

PROJECT DESCRIPTION

Yolo County Central Landfill (YCCL) is an existing 724 acre solid waste facility located at 44090 County Road 28H in Woodland operated by Yolo County Community Services Department,

Integrated Waste Management Division. The LEA accepted the Revised Solid Waste Facility application package on August 17, 2023. YCCL is proposing to make the following changes: increase in daily tonnage; expansion of Compost Facility #2; construction of a new Class 2 Surface Impoundment; update the containment system design for WMU 6H.

OPTIONS FOR SUBMITTING COMMENTS

A copy of the revised Solid Waste Facility Permit application package is available for review by appointment at the Yolo County Environmental Health office located at 292 West Beamer St in Woodland. Please send your written comments to 292 West Beamer St Woodland, CA 95695 or to suzie.dawley@yolocounty.org.
