

Join us for a Virtual Training: Adult Mental Health First Aid Certification

FREE TRAINING!

Open to Yolo County staff, provider staff and community volunteers

Mental Health First Aid (MHFA) teaches you how to identify, understand and respond to signs of mental health and substance use challenges.

What does the training cover?

- Common signs & symptoms of mental illness
- Common signs & symptoms of substance use disorders
- How to interact with a person in crisis
- How to connect the person with help
- The "Algee" action plan

What is the process?

- Register for the training using the link provided
- Complete a 2-hour independent online learning module prior to the class
- Attend the live training on zoom. You must attend the full duration of the training
- Successfully complete an online quiz and evaluation
- Receive a 3- year professional certification in MHFA conferred by the National Council for Mental Health
