Yolo County Library Continues its Yearlong Reading Program in 2024

(Woodland, CA) – Yolo County Library has a New Year’s resolution for you: Read more in 2024. Beginning January 1, the Library will continue the reading program that spans the entire calendar year entitled, 52: a yearlong reading journey.

The Library is once again challenging patrons to read as many books as they can in 2024 with the help of our weekly prompts. Diana Lopez, Yolo County Librarian, says, “We are really excited about continuing 52: a yearlong reading journey in 2024! Reading is a lifelong skill that can offer many benefits. It is a great way to learn new things, relax, and even escape into exciting worlds different from your own. Reading can also be a great way to connect with others and make new friends by sharing recommendations and joining book clubs. If you're looking for some encouragement and an opportunity to read more books, sign up for this amazing program!”

Pick up a 52 checklist at your local library branch or sign up on Beanstack to join the program digitally. Beanstack is available on mobile devices through the Apple App Store or Google Play Store or can be accessed by web browser at www.YoloCountyLibrary.Beanstack.org/reader365.

52: a yearlong reading journey is free and sponsored by the Yolo County Library Foundation and the various Friends of the Library groups.
