

## Community Corrections Partnership-Funded Programs & Services

The Community Corrections Partnership (CCP) partially\* or fully\*\* funds the following programs and services which are intended to serve the population realigned by Assembly Bill 109 (the 2011 Public Safety Realignment Act). In many cases, these programs and services also benefit other individuals in the adult criminal justice system. Some of the programs and services below are collaboratively implemented with the support and involvement of multiple CCP member agencies while others support individual CCP department operations.

| CCP-Funded Program                               | Program Description   |
|--|---|
| <b>AB 109 In-Custody*</b>                        | Jail staffing costs related to incarcerating the additional AB 109 population   |
| <b>Adult Mitigation Unit*</b>                    | Provides pre- and post-adjudication mitigation and support services to indigent adult clients of the Public Defender’s Office. Pre-adjudication mitigation services include writing social history reports and mitigation memos; developing diversion plans, collecting and analyzing client mental/physical health and educations records; and consulting with clients’ family and circle of support, including community-based service providers. Post-adjudication mitigation services include developing post-release plans based on clients’ needs and goals, short-term case management; advocacy and assistance with navigating local bureaucracies; referrals to community-based services; and warm hand-offs to providers. |
| <b>Adult Services for Sentenced Individuals*</b> | Administers presentence investigation and case management services for individuals assigned by the Courts. Individuals ordered onto supervision receive risk/needs assessments, case planning services and treatment or re-entry service referrals and coordination.  |
| <b>Advance Peace*</b>                            | Non-profit organization that works to interrupt gun violence in urban neighborhoods by providing transformational opportunities to young adults identified as most likely to be perpetrators and/or victims of gun violence. The CCP supports the Woodland Police Department’s partnership with Advance Peace resulting in reducing shootings on average from every 5.3 days in 2021 to every 31 days in 2022.  |
| <b>Behavioral Health Case Manager**</b>          | Provides person-to-person legal navigation and support to system-impacted individuals through outreach; assistance in the referral and acceptance into diversion or treatment programs; linkage to services; supporting compliance with treatment plans through case management and engagement practices; assistant securing public benefits; and help navigating bureaucratic systems.   |
| <b>CCP Administrative Services**</b>             | Supports the CCP with a portion of Probation’s Fiscal Administrative Officer and a portion of the County Administrator’s Office CCP Management Analyst.   |
| <b>Day Reporting Center (DRC)**</b>              | Provides in- and out-of-custody programs and services for effective community reintegration and reduction of re-offending behavior to reduce recidivism. Follows a “Community Resource Center” model and works by addressing criminogenic needs through DRC-administered programming and referring to other program partners for services provided both onsite at the DRC and at offsite partner locations.   |

| <b>CCP-Funded Program</b>   | <b>Program Description</b>  |
|---|---|
| <b>Discharge Outreach/Re-Entry Coordinator*</b>                       | Provide staff to coordinate out-of-custody services upon discharge/re-entry to facilitate success, such as coordination of Medi-Cal and CalFresh benefits, linkage to behavioral health services and provision of medication.   |
| <b>Electronic Monitoring (EM)*</b>                                    | The EM program mitigates the impacts of AB 109 on the jail system by maintaining the most appropriate population on electronic monitoring with an appropriate level of supervision, facilitating re-entry services for re-integration and reducing jail overcrowding.   |
| <b>IGT (Intergovernmental Transfer) House Property Management**</b>   | Supports on-going costs related to maintaining the IGT House and providing the Rent Ready Curriculum to Medi-Cal eligible and justice-involved individuals needing shelter, coupled with mandated wrap-around services focused on behavioral and basic health needs.  |
| <b>In-Custody Program Manager**</b>                                   | Plans, develops, organizes and evaluates the functions of educational rehabilitation programs offered to in-custody inmates. This position ensures programs are evidence-based, evaluated for effectiveness through pre-determined performance measures as well as the establishment and compliance of program policies and procedures to meet all applicable statutes, standards, legal mandates, Court orders and departmental policies.  |
| <b>In-Custody Substance Use Disorder (SUD) Services**</b>             | Provides access to SUD treatment, onsite, for individuals incarcerated in the jail and linkage to re-entry services providing opportunity for participants to receive supportive services with the Transitions of Care Program, including continued SUD treatment/MAT, if needed upon release.  |
| <b>Medication Assisted Treatment (MAT)**</b>                          | The use of medication combined with counseling and behavioral therapies to provide a “whole patient” approach to the treatment of substance abuse. CCP supports related in-custody services and seamless re-entry services.   |
| <b>Mental Health &amp; Addiction Intervention Courts**</b>            | Court-based treatment and monitoring systems for adult offenders with a serious mental illness or substance use disorder. Designed to increase treatment engagement and reduce arrests, hospitalizations and jail time.   |
| <b>Mental Health Diversion (MH-Div) Program**</b>                     | Court-based treatment and monitoring system for adult offenders with mental illness and/or a substance use disorder in which those behavioral health issues were a significant factor in the commission of their criminal offense, yet they are not eligible for Mental Health Court (MHC) or Addition Intervention Court (AIC). Designed to increase treatment engagement and reduce the number of arrests, jail bed days, acute hospital bed days and long-term or state hospital bed days. |
| <b>Pre-Trial Supervised Own Recognizance (SOR) Program*</b>           | Administers a validated predictive risk assessment instrument for release decisions from custody on individuals booked in the jail. The Court reviews Probation’s release recommendation and may place a person on SOR supervision during pre-trial proceedings.  |
| <b>Probation/Sheriff Co-Responder*</b>                                | Health & Humans Services Agency Clinician supports both Probation and Sheriff’s office in mental health diversion and de-escalation of individuals re-entering from jail or supervision.  |
| <b>Restorative Justice Partnership (formerly Neighborhood Court)*</b> | A restorative justice process to encourage accountability by the offender and reach a resolution with the victim(s) to address the harm/impacts of the  |
