## Yolo County Employers Invited to ChatGPT Training Webinar on April 30

(Woodland, CA) – Yolo County employers are invited to a free training opportunity to learn about ChatGPT and its potential benefits for their businesses at the webinar "What is ChatGPT," scheduled for April 30, 2024, from 10:00 to 11:00 a.m. This event is a collaborative effort between YoloWorks!, the Yolo County Workforce Innovation Board, and the Yolo County Health and Human Services Agency, who have partnered with the California Employers Association to provide valuable trainings to local businesses.

ChatGPT and similar Artificial Intelligence (A.I.) technology have the potential to revolutionize the workplace by automating routine tasks, streamlining processes, and enhancing creativity. Soon, A.I. may even handle some complex tasks better and more efficiently than humans do now.

Yolo County employers can register online at <http://tinyurl.com/YC43024> or by visiting [www.YoloWorks.org](http://www.YoloWorks.org). For further inquiries, employers can reach out to Erica Johnson, Workforce Board Director, at [Erica.Johnson@YoloCounty.org](mailto:Erica.Johnson@YoloCounty.org), or by calling/texting (530) 631-2289. The training session, which qualifies for IHCRI or ISHRM credit, will cover the following topics:

- ChatGPT: Impact on the Workplace
- Use Cases in Human Resources
- Potential Challenges & Limitations
- Developing an AI Policy
- The Dark Side: Plagiarism, Ethics, Accuracy
