Dear Grand Jury Representatives,

R-1

We were directed by the RTAC team that provided the assessment to keep the document internal and not provide copies to others. However, please feel free to come and view the Elementary Assessment in our offices. The middle school and high school assessments were done internally. Attached to this document is the list that was prioritized by our District Safety Committee and our First Responders Partnership.

R-2

All staff teachers, administrators, substitutes, and classified staff receive a letter during the summer with the website and the deadline dates for taking the mandatory training. Attached to this letter is our annual letter that all staff members receive both electronically and mailed to their homes.

Any new substitutes or staff members are provided these trainings as part of the onboarding process. There is not a specific scheduled date as we onboard regularly.

Attachment 1- Prioritized Lists

Attachment 2- Welcome Back Letter Portion Containing Mandated Training
