Re: Treasury Cash Count quarterly report for December 31, 2021

Dear Mr. Xiong:

We have performed the procedures as agreed upon in our engagement to assist the County with respect to compliance with Government Code Section 26920 (a) (1) for the quarter ending December 31, 2021. The County's Treasurer is responsible for compliance with the above noted Government Code section. The agreed upon procedures engagement was performed in accordance with the International Standards for the Processional Practice of Internal Auditing. In regards to auditor's independence, the Internal Audit Division reports administratively to the Chief Financial Officer, but functionally to the Board of Supervisors. The sufficiency of these procedures is solely the responsibility of the specified user of this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Further, we did not review system controls of the county financial system.

Our procedures and results are as follows:

1. Observe and certify the treasury staff cash count and verify that the coin and cash bags are properly sealed.

Results: Procedure performed with no exceptions.

Considerations: None.

2. Vouch the deposit slips prepared for the coin and cash bags to the bank statement.

Results: Procedure performed with no exceptions.

Considerations: None.

We were not engaged to, and did not; conduct an audit, the object of which would be the expression of an opinion on the accounting records. Accordingly, we do not express such as opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is prepared for use by the Treasury management, Department of Financial Services and Yolo County Board of Supervisors. However, it may be distributed to other interested parties.

We appreciate the timely and professional responses provided by the Treasury management and staff to our requests for information.

Sincerely,

Kim Eldredge, CGAP
Internal Audit Manager
