

Yolo County is pleased to announce the launch of the 2024 Yolo County Housing Rehabilitation Program, a significant initiative designed to improve the quality of housing in the unincorporated areas of Yolo County. By improving the condition of homes and making them safer and more comfortable, we can enhance the quality of life for residents and contribute to the overall health and vitality of the county. We encourage all eligible homeowners to take advantage of this opportunity to enhance their homes and their community.

### **Financial Assistance for Your Home**

The Housing Rehabilitation Program offers financial aid in the form of a deferred, low-interest loan for up to \$80,000.

### **Who is Eligible?**

This program is open to low-to-moderate income households residing in **unincorporated** areas of Yolo County.

### **How Can You Use the Funds?**

Eligible uses for these funds include:

- Resolving existing violations.
- Correcting health and safety hazards within the home.
- Improving accessibility features of your home.
- Increasing the energy efficiency of your property.

The anticipated date that applications will be available is July 16, 2024, and will remain open until all funds are allocated. We encourage you to review the program guidelines and see if you qualify.

For program guidelines and to access the application please visit:
