Use Permit for the construction and operation of a "Yolo Store" located one mile west of Capay off SR 16, which will provide retail services for products primarily grown and manufactured in the Capay Valley. The project consists of a 2,950-square foot building, which will include a cold room and prep kitchen.

7. DISCUSSION ITEMS:

a) Formation of an ad-hoc subcommittee for the county's citizens advisory committees.

b) Community Forum about Housing and Homelessness: Yolo County is currently developing a countywide ten-year plan about preventing and ending homelessness. Experience and research show that the most effective and cost-efficient way to assist people with instable housing or without housing is a coordinated, regional system of services and housing. An important first step in creating an effective, relevant Ten-Year Plan to Prevent and End Homelessness is to listen to Yolo County citizens' concerns about housing instability and ideas to improve the situation in Yolo County.
