## **Alternative Transportation Corridor Community Meeting**

**(Woodland, CA)** – Yolo County, the City of Woodland and the City of Davis are partnering on a feasibility study of possible alternative routes for a multi-use, off-road path for bicycles, pedestrians, equestrians and potentially low-speed electric vehicles between the cities of Woodland and Davis.

Yolo County and the cities of Woodland and Davis are seeking public input and dialogue on design and use of the corridor and possible alternative routes to ensure that all needs and concerns are considered as part of the study. A community kick-off meeting will be held on Feb. 23, 6:00 to 8:00 p.m. at the Woodland Community Center to provide the public opportunity to ask questions, voice concerns and provide input into the design and use of the Alternative Transportation Corridor between Woodland and Davis.
