A. Community Forum about Housing and Homelessness (Bridget DeJong): Yolo County is currently developing a countywide ten-year plan about preventing and ending homelessness. Experience and research show that the most effective and cost-efficient way to assist people with instable housing or without housing is a coordinated, regional system of services and housing. An important first step in creating an effective, relevant Ten-Year Plan to Prevent and End Homelessness is to listen to Yolo County citizens' concerns about housing instability and ideas to improve the situation in Yolo County.
