2007-2008 Annual Report Online

(Woodland, CA) – This week, the Yolo County Board of Supervisors received the 2007-2008 Annual Report which is now available for the public to view online at www.yolocounty.org (go to: Government > About Us > Reports & Publications).

Annually, the Yolo County Administrator prepares a summary report which highlights countywide accomplishments in the prior fiscal year. The annual report also provides an overview of the operations and financial condition of the county. The 2007-2008 Annual Report is a compilation of departmental highlights and operating indicators for the fiscal year ending June 30, 2008, as well as the Citizen's Financial Report compiled by the Office of the Auditor-Controller/Treasurer-Tax Collector.

“The accomplishments of our workforce are too numerous to mention,” said Sharon Jensen, Yolo County Administrator. “Still, the annual report provides a wealth of information on the operations of our county government, and an overview of what we have accomplished in achieving the goals of the Board of Supervisors on behalf of the residents of Yolo County.”

“Besides providing a summary of our organization's many accomplishments, the annual report is also a good resource for understanding county government,” said Yolo County Board of Supervisors Chair Mike McGowan. “I think many residents would be surprised by the variety and breadth of services our county employees provide on a daily basis to each and every resident of Yolo County.”

The Yolo County 2007-2008 Annual Report can be found by visiting www.yolocounty.org (go to: Government > About Us > Reports & Publications). For more information, contact Beth Gabor, Yolo County Public Information Officer at (530) 666-8042.
