## **Annual Service Awards Recognize 60 Employees**

(Woodland, CA) – Earlier this month, the Yolo County Board of Supervisors and the County Administrator’s office celebrated the commitment and dedication of 60 employees who have reached significant chronological milestones in their employment with Yolo County. The Annual Service Awards Ceremony recognizes long-time employees for their commitment, diligence and service to the Yolo County community. Collectively, the employees acknowledged this year have served the residents of Yolo County for 1,255 years.

“Our employees are our greatest asset,” said Yolo County Board of Supervisors Chair Mike McGowan. “I think it speaks volumes about our organization that these employees have chosen to be part of the Yolo County team and to serve our residents for so many years.”

“We are fortunate to have so many dedicated employees,” said Yolo County Administrator Sharon Jensen. “We are proud of their contributions and grateful for their dedication.”

During the Service Awards ceremony, recipients were treated to a performance by the Douglass Middle School Choral Ensemble, directed by Ken Holck.
