Davis - Woodland Alternative Transportation Corridor

(Davis) – Yolo County and the cities of Woodland and Davis are partnering on a feasibility study of possible alternative routes for a multi-use, off-road path for bicycles, pedestrians, (equestrians) and potentially low-speed electric vehicles between the cities of Woodland and Davis. The county and the cities are seeking public input relating to the alternative routes, pathway designs and corridor use to ensure that all needs and concerns are considered as part of the study. For this purpose, the public is invited to the following community meeting:

What: Alternative Transportation Corridor Community Meeting

When: Mon, Apr. 27, 2009
5:30 p.m. to 7:30 p.m.

Where: Veterans' Memorial Center
Multi-Purpose Room
203 E. 14th Street
Davis, California

For more information about the project and to view the February 23, 2009 meeting minutes and a list of Frequently Asked Questions, visit www.yolocounty.org (go to Hot Topics > Alternative Transportation Corridor) or contact one of the ATC contacts below:
