Pilot Program

Cache Creek Settling Basin Symposium

Managing the Settling Basin – Who's Doing What!

8:30 a.m. – 1:30 p.m., Monday, June 22, 2009

Heidrick Center - 1962 Hays Lane, Woodland, CA 95776

Purpose:

Multiple entities are implementing or planning actions in or affected by the Cache Creek Settling Basin. During this half-day symposium, learn more about various initiatives, existing conditions in and around the settling basin, and opportunities for mutually beneficial coordination.

Space is limited!

Please RSVP by Wednesday, June 17
