Certified Access Specialist Program (CAsp) Training August 4 - 5, 2009

(Woodland, CA) – The Yolo County Planning & Public Works Department Building Inspection Division will be providing Certified Access Specialist Program (CAsp) training in Woodland, August 4 through 5, 8:00 a.m. to 4:00 p.m. each day. Registration is \$240 and includes a certificate of attendance, course materials, lunch and refreshments. Registration forms may be obtained from the Planning & Public Works Department or downloaded here: www.yolocounty.org (go to: Government > Planning & Public Works > News & Event). One may also register by calling (530) 666-8775.

This training is geared towards those interested in becoming certified access specialists, contractors, inspectors, access compliance specialists, plans examiners, building officials and design professionals. The training will address specific disabled access code sections and issues that relate mainly to the Certified Access Specialist exam through the State of California, highlighting Title II and III of the Americans with Disabilities Act (ADA), ADA Accessibility Guide, California Building Code Title 24 and more.

The course will be conducted by Gilda Puente-Peters who is a registered architect with 27 years of broadly diversified experience in the architectural field and has specialized for the last 20 years in accessibility and University Design planning, education, design and construction.

Registration forms are due July 31. For more information contact the Yolo County Department of Planning & Public Works Building Inspection Division at (530) 666-8775.
